

**Certificate III  
Beauty grads?**

**let's take  
your career  
next level**

# Cert III is just the beginning...

## You've done it! So what's next?

Thanks to celebrities and beauty bloggers, as well as new lasers and preventative treatments, the beauty industry has never been so exciting or diverse. It's grown in recent years to a \$7 Billion industry. That's great news for you, especially if you'd like to continue to gain more advanced skills and knowledge.

On successful completion of your full Vet in Schools course you're awarded the Certificate III in Beauty Services (SHB30121). Many of the subjects completed as part of your Certificate III in Beauty Services will be recognised in the Diploma, and Credits will be applied to those subjects. What does that mean? You don't have to do them again. You'll reduce the cost and time it takes to complete the Diploma of Beauty Therapy.

The SHB50121 Diploma of Beauty Therapy is the highest and most sought after vocational qualification in the industry and will provide you with the knowledge, experience and advanced skills to set you apart and ensure you're job ready when you graduate. Plus, it'll lead to further employment opportunities such as:

- Beauty therapist providing advanced treatments
- Salon manager/owner
- Beauty therapist on a cruise ship
- Freelance therapist
- Cosmetic or beauty equipment sales representative
- Beauty advisor in a large company
- Working in a hotel

Use credits from  
your Cert III towards  
your Diploma.

You'll qualify faster,  
save money, and  
have a heap more  
job opportunities.

# So what's your passion? Let's find out.
